The background of the image is a repeating pattern of pink bubbles. Each bubble is represented by a thin pink outline. Some bubbles are larger and overlap with each other, while others are smaller and appear as individual circles. The bubbles are scattered across the entire white background, creating a soft, bubbly texture.

Brand Name

The word Foam signifies the cleansing properties of shampoo.

The word Fusion emphasizes the integration of two distinct element Shampoo and Sheets.

This combination brings together the convenience and portability of a sheet with the effectiveness and the functionality of a shampoo.

The background of the image features a repeating pattern of light pink circles. Some circles are simple outlines, while others are overlapping, creating a sense of depth and movement. The overall aesthetic is clean and modern.

Colour Overview

Colour Psychology

Hot magenta is a bold and vibrant color, blending the energy of red with the depth of purple. It is associated with passion, creativity, and confidence, making it a choice for conveying intense emotions, warmth, and a sense of innovation.

Effects: feelings of excitement and enthusiasm.

Symbolize: passion, energy, and creativity.

Colour Scheme

FoamFusion brand is created with the Monochromatic Colour Scheme.

A monochromatic color scheme simplifies the visual elements of a brand, making it easier for audiences to recognize and remember. This simplicity can enhance clarity and strengthen brand recall.
